R. CIV. P. 28.

IV.

Facts

9. This lawsuit is necessary as a result of personal injuries that Plaintiff suffered in Polk County, Texas, on September 18, 2014. At that time, Defendant Tyron Jerome Chambers was driving northbound on US Highway 59, a public road, in Polk County, Texas, operating a tractor-trailer owned and/or otherwise under the control of the CRST Defendants. Plaintiff was operating his vehicle ahead of Defendants and was slowed in traffic with other vehicles on the highway. Suddenly, and without warning, Defendant Tyron Jerome Chambers caused his tractor-trailer to ram into numerous cars on the highway, causing a chain reaction collision, which ultimately resulted in a collision involving Plaintiff's vehicle .

As a result of Defendants' negligence, Plaintiff suffered severe personal injuries and property damage, for which he now brings this suit.

10. At the time of the collision, the CRST Defendants had entrusted their tractor-trailer to Defendant Tyron Jerome Chambers and had tasked Defendant Tyron Jerome Chambers to operate their vehicle and trailer. Further, at all times relevant to this matter, Defendant Tyron Jerome Chambers was in the course and scope of his employment with the CRST Defendants. As such, the CRST Defendants are responsible for the acts and omissions of its employee, agent, and/or individual under its control under the legal theory of *respondeat superior*.

11. Plaintiff sustained injuries because of Defendant Tyron Jerome Chambers' negligence, gross negligence, and negligence *per se* when Defendant Chambers:

- Failed to remain attentive while driving;
- Operated the vehicle while fatigued or tired;
- Failed to maintain a single lane;
- Failed to maintain a safe speed;
- Failed to keep a proper lookout;
- Failed to brake properly;
- Failed to avoid the collision;
- Failed to keep the vehicle under proper control;
- Failed to operate the vehicle safely;
- Failed to exercise appropriate caution given traffic conditions;
- Failed to follow applicable safety guidelines and procedures;

- Failed to properly maintain the vehicle;
- Failed to properly inspect the vehicle before operation;
- Failed to control speed, in violation of TEX. TRANS. CODE §545.351;
- Failed to drive attentively, in violation of TEX. TRANS. CODE §545.401;
- Failed to remain aware of surroundings, in violation of TEX. TRANS. CODE §545.401;
- Reckless driving, in violation of TEX. TRANS. CODE §545.40; and
- Violated applicable, local, state, and federal laws and/or regulations; and
- Other acts so deemed negligent.

12. Pleading further, Defendant Tyron Jerome Chambers' actions constitute negligent *per se*. Specifically, Plaintiff would show as follows:

- Defendant operated the vehicle at an excessive rate of speed in direct violation of TEX. TRANS. CODE §545.351;
- Driving a vehicle in a willful or wanton disregard for the safety of persons in violation of Tex. Trans. Code §545.401; and
- Imperiling other motorists by failing to heed a traffic law, as would have been done by a reasonable person exercising ordinary prudence under the same or similar circumstance, in violation of TEX. TRANS. CODE §542.301.

13. Further, Plaintiff sustained injuries because of the negligence, gross negligence, and negligence *per se* of the CRST Defendants, when said Defendants:

- Entrusted a dangerous operator with the vehicle;
- Failed to have adequate safety policies in place;
- Failed to inspect the vehicle before operation;
- Failed to hire competent and/or qualified drivers;

- Placed profit over public safety in maintaining the vehicle;
- Placed profit over public safety in repairing the vehicle;
- Placed profit over public safety in failing to terminate Jorge Mendez;
- Engaged Tyron Jerome Chambers as an agent or employee;
- Ratified or directed Tyron Jerome Chambers' operation of the tractor-trailer;
- Failed to investigate Tyron Jerome Chambers' driving record before hiring him;
- Failed to terminate Tyron Jerome Chambers' when precaution demanded it;
- Failed to properly supervise Tyron Jerome Chambers;
- Failed to properly train Tyron Jerome Chambers;
- Violated applicable, local, state, and federal laws and/or regulations; and
- Other acts so deemed negligent.

14. The above alleged negligent acts of all Defendants proximately caused severe injuries and damages to Plaintiff, for which she now sues.

15. Further, the wrongful acts and omissions of Defendants, as described above, is the type of conduct for which the law allows the imposition of exemplary damages in that it constitutes gross negligence. When viewed objectively from Defendants' standpoint at the time of the occurrence, Defendants' conduct described above involved an extreme degree of risk, considering the probability and magnitude of the potential harm to others, and, Defendants had actual, subjective awareness of the risk involved, but nevertheless proceeded

with conscious indifference to the rights, safety, or welfare of others, including Plaintiff. Plaintiff therefore seeks exemplary damages from Defendants in amounts to be determined by the trier of fact.

16. As a result of these occurrences, Plaintiff sustained injuries to his body, which resulted in physical pain, impairment, mental anguish, and other medical problems. Plaintiff will show that he has sustained severe pain, physical impairment, disfigurement, discomfort, mental anguish, and distress, and that in all reasonable probability, such physical pain, physical impairment, disfigurement, and mental anguish will continue indefinitely. Plaintiff suffered loss of earnings in the past, as well as a loss of future earning capacity. Plaintiff has incurred and will continue to incur pharmaceutical and medical expenses in connection with Plaintiff's injuries.

17. Plaintiff also suffered property damage to his vehicle, loss of use damages, diminished value, and numerous other out-of-pocket expenses as a result of the collision.

V.

Jury Demand

18. Plaintiff hereby demands a trial by jury.

VI.

REQUESTS FOR DISCLOSURE

19. Pursuant to Rule 194 of the Texas Rules of Civil Procedure, Defendant is requested to disclose, within fifty (50) days of service of this request, the information or material described in Rule 194.2.

Prayer

Plaintiff prays that this citation issue and be served upon Defendants in a form and manner prescribed by law, requiring that Defendants appear and answer, and that upon final hearing, Plaintiff have judgment against Defendants in a total sum in excess of the minimum jurisdictional limits of this Court, plus pre-judgment and post-judgment interests, all costs of Court, actual and consequential damages allowed by law, exemplary damages, and all such other and further relief, to which Plaintiff may show himself justly entitled.

<i>Defendants.</i>	§	411th JUDICIAL DISTRICT

DEFENDANTS CRST MALONE, INC., CRST INTERNATIONAL, INC.; CRST EXPEDITED, INC.; AND TYRON JEROME CHAMBERS' ORIGINAL ANSWER TO PLAINTIFF'S ORIGINAL PETITION

TO THE HONORABLE JUDGE OF SAID COURT:

Defendants, CRST Malone, Inc., CRST International, Inc.; CRST Expedited, Inc.; and Tyron Jerome Chambers ("Defendants"), Defendants in the above styled and numbered cause, files this Original Answer to Plaintiff's Original Petition, as follows:

GENERAL DENIAL

Pursuant to Tex. R. Civ. P. 92, Defendants assert a general denial to each and every allegation in Plaintiff's Petition and demands strict proof thereof. Defendants respectfully request that Plaintiff be required to prove the charges and allegations against these Defendants by a

preponderance of the evidence as is required by the Constitution and the laws of the State of Texas.

AFFIRMATIVE DEFENSES

Defendants assert the following affirmative defenses under Texas Rule of Civil Procedure 94:

1. No act(s) or omission(s) of Defendants was the proximate cause of any injury to Plaintiff.
2. Defendants allege, in the alternative, the affirmative defense of comparative responsibility, comparative or contributory negligence, and/or comparative causation. Defendant further alleges that any injuries to Plaintiff were solely caused, or in the alternative, proximately caused by the acts and omissions of Plaintiff, fault of third parties for whom Defendants are not legally responsible or had control, and/or other defendants for which Defendants would not be in any way responsible.
3. Defendants allege, in the alternative, that Plaintiff failed to observe or use ordinary care during the time and at the place of the alleged injuries. Plaintiff's failure to use that degree of care as would have been used by ordinarily reasonable and prudent persons under the same or similar circumstances proximately caused the injuries which Plaintiff complains of in Plaintiff's Petition.
4. Defendants, while continuing to deny any and all liability, in the alternative, in the event Defendants are held liable to Plaintiff, asserts its rights of indemnity and contribution of and from, any and all other Defendants, or in the alternative, for comparative offset and contribution

for the negligence, liability, fault or conduct attributable to any other Defendants, parties and or Responsible Third Parties.

5. Defendants assert that Plaintiff is not entitled to punitive damages because no conduct by Defendants created an extreme degree of risk, nor was there any conscious indifference to risks, if any.

6. Defendants assert, in the alternative, the affirmative defenses of waiver, release, and statute of limitations.

7. Defendants further allege that any award of medical and/or health care expenses must be limited to the amount actually paid or incurred by or on behalf of the Plaintiff in accordance with Texas Civil Practice and Remedies Code § 41.0105.

8. Defendants further allege that any award of future medical and/or health care expenses must be limited to (1) the present value of the reasonable premium cost of Plaintiff's future health insurance, the purchase of which by Plaintiff, and the requirement of coverage for pre-existing conditions by the insurers, are both mandated by the Federal Government under the "Affordable Care Act," and (2) those amounts which will actually be paid or incurred by or on behalf of Plaintiffs, in accordance with Texas Civil Practice and Remedies Code § 41.0105.

9. Pleading further and without waiving any other defense, Defendants invoke Section 18.091 of the Texas Civil Practice and Remedies Code, which requires Plaintiffs to prove evidence of loss of earnings, loss of earning capacity and any other loss of pecuniary value in the form of a net loss after reduction for income tax payments or unpaid tax liability pursuant to any federal income tax law.

10. Pleading further and without waiving any other defense, Defendants invoke the provisions of the Affordable Care Act under which the government of the United States has required every person in this country to obtain health insurance or face a punitive tax, and the Act further requires every insurer doing business in the United States to insure pre-existing conditions. Accordingly any recovery by Plaintiff for future medical expenses, if any, should be limited to the present value of the future cost of obtaining health insurance by Plaintiff, as required by the Affordable Care Act, in addition to the present value of the future cost of any non-insured healthcare related items made necessary by the incident made the basis of this litigation.

JURY DEMAND

11. Defendants respectfully demand a trial by jury in accordance with Texas Rule of Civil Procedure Rule 216 and tenders the appropriate fee.

PROPORTIONATE RESPONSIBILITY

12. If Defendants are found liable for damages, Defendants intend to seek a reduction of damages pursuant to TEX. CIV. PRAC. & REM. CODE CHAPTER § 33. All of the above parties', persons' or entities' proportionate responsibility or comparative responsibility must be submitted to the trier of fact along with the proportionate responsibility and/or comparative responsibility of the Plaintiff, other Parties, Settled Parties and Responsible Third Parties, as required by §33.001, §33.003, and §33.013 of the Texas Civil Practice and Remedies Code.

PRAYER

WHEREFORE, PREMISES CONSIDERED, Defendants pray that Plaintiff take nothing by his claims, and Defendants thereafter recover costs of court to be assessed against the Plaintiff. Further, Defendants pray for judgment against Plaintiff and to be fully and finally discharged from any liability herein, and for such other and further relief, whether general or special, at law or in equity, including costs, reasonable attorneys' fees and interest, as to which Defendants may show themselves to be justly entitled.
